ACHIEVEMENTS

- Directed, designed and developed the concept, product, branding and website for the Gramohorn II - a 3D printed acoustic speaker project commissioned by HTC to promote the HTC One smartphone. The campaign achieved a media reach of 380 million and an audience of 9 million in the first week, through 150 pieces of coverage - featured in PC Mag, Cool Hunting, Stuff Magazine, Financial Times' 'How To Spend It' (to name a few) and interviewed on Monocle 24's 'Entrepreneurs' programme. (www.gramohorn.com)
- Winner of 'Bar of the Year' at the European Hotel Design Awards 2012 (as part of the WDA team) for 'Le Bar' at Beau-Rivage Palace in Lausanne, Switzerland.
- Graduated with a First Class Honours (1.1) degree in BA (Hons) Graphic Design and with Distinction in MA Interior & Spatial Design, from Chelsea College of Art & Design, London.
- MA dissertation and accompanying publication purchased by request, forming part of the 'Permanent Artist's Book Collection' at Chelsea College of Art & Design and available for library reference through the University of the Arts, London.
- D&AD (Design & Art Direction) Student Awards 2008 Finalist for moving image / advertising brief.
- Achieved 100% A level Art & Design. Awarded 'Student Artist of the Year' in 2004 by the South China Morning Post in Hong Kong. Awarded 'Certificate of Merit in Recognition of Outstanding Contribution Through Academic Excellence' by German Swiss International School.
